### ***Driving directions***

About 2 miles East of Liskeard, turn off of the A38 onto the B3251. Follow the B3251 towards Looe for 1.2 miles until you come to a crossroads. Go straight over the crossroads\* into an un-named lane. Follow the lane until you come to a fork and sharp bend, take the left fork. Follow the lane to the “T” junction, turn right. Do not take the next left turn, keep going to the next “T” junction then turn left. We are on the left at the next bend.

NB Sat nav using the post code will take you the wrong way by turning you right instead of left at the last “T” junction.

\*We are 1 mile from the crossroads.

If you see “Pensipple Cottage” then please keep going for another 100 yards to find us.

### **Sat Nav users:**

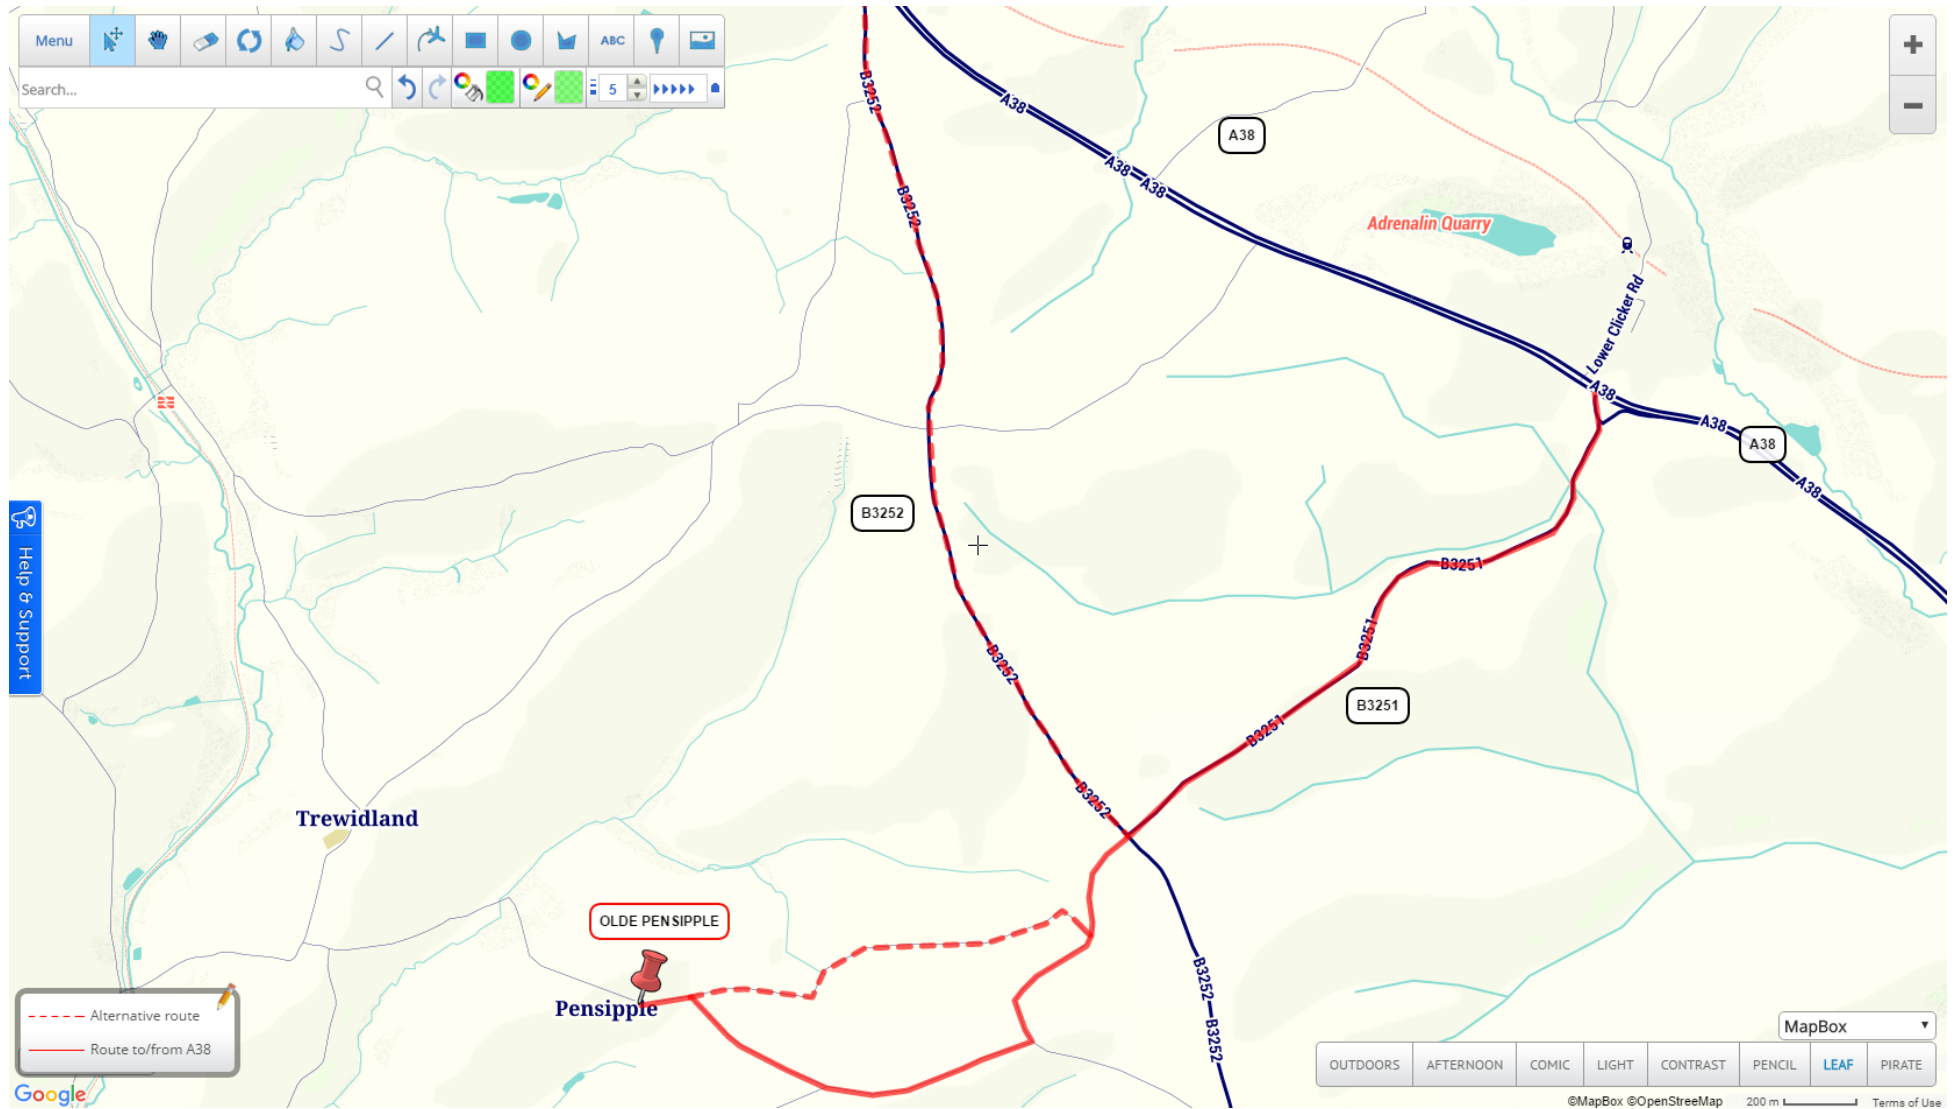

If you use the post code then you will be taken about 350yards from our location.
